

Thanks to outstanding growth, Swissquote expects record half-year results

The strong organic growth that has been ongoing for months continues at Swissquote. Since the beginning of the year, Swissquote has been registering a massive inflow of new clients and new assets. The first months of 2021 have seen strong trading activities in Swissquote's main revenue segments (fee and commission, eForex and cryptocurrencies). As a result, Swissquote expects to achieve record half-year results.

Net revenues for the first half year 2021 are estimated at around CHF 260 million (H1-2020: CHF 160.7 million) while pre-tax profit is expected to exceed CHF 130 million (H1-2020: CHF 58.4 million).

The guidance for 2021 reported on March 18, 2021 will be significantly revised upwards as part of the publication of the half-year results on August 6, 2021.
