

Swissquote Bank: Investment funds in Swiss francs, US dollars and Euros now online!

As of today, Swissquote Bank (<http://bank.swissquote.ch>) offers its clients, as well as online trading on major stock exchanges (SWX, Virt-x, NYSE, NASDAQ, AMEX), direct access to a wide range of investment funds. Clients can now subscribe, online or by telephone, to funds authorised in Switzerland issued by Credit Suisse, Pictet, Swissca and Vontobel, at extremely attractive prices in CHF, USD and EUR (for example, a subscription in the amount of 10 000.- would only cost 0,35%)*. UBS and Lombard Odier funds will be available in the next few weeks. As of today, real time information on all products linked to funds authorised in Switzerland is available on the financial portal (www.swissquote.ch).

Just three months after its launch, Swissquote Bank, the new Swiss online bank, completes as announced its product range with the offering of investment funds from reputable issuers. New developments are already underway.
